Check local supermarkets for plastic bag recycling bins.

Recycle Plastic Packaging like bubble wrap and packaging foam at local shipping stores.

**BATTERIES:** Car, Boat, Tool, and Household are accepted at Transfer Stations/Recycling Centers during regular hours!

## What Happens to Yard Waste ?

Monroe County Solid Waste mulching was discontinued several years ago due to limited demand, disease and contamination concerns. Check with you local service provider (see other side of brochure for phone numbers) to find out whether yard waste is still being separated in your neighborhood. If you would like to start your own food/yard waste composting project at home, contact Extension Agent Kim Gabel at (305) 292-4501 or visit the website: <http://Monroe.ifas.ufl.edu/lawn/lawn.shtml>

## FREE Mulch For Monroe Residents !

Monroe County Department of Road and Bridges ~ 305-295-5913  
Keys Energy (south of 7 Mile Bridge) ~ 305-295-1010  
FKEC (North of the 7 Mile Bridge) ~ 305-852-4321  
Many local tree service companies have free mulch available on a limited, by request basis. Just call the above numbers for details!

## Household Hazardous Waste and Electronic Waste Disposal

*Household Hazardous Waste (HHW) and Electronic Waste (e-waste) requires special disposal because they can pollute the earth, air and water.*

**Disposal / recycling is FREE FOR RESIDENTS.**  
(some limits and fees may apply)

**Business waste is accepted for a fee.**

Please call the Monroe County Recycling Coordinator, Colleen Murphy or your nearest Transfer Station/ Recycling Center for additional information or visit the Monroe County web for special collection dates.
